The Zoo Licensing Act 1981

Mandatory Conditions

Mandatory Conditions to be attached to a Zoo Licence
(Taken from section 1A of the Zoo Licensing Act 1981 (as amended))

Conservation measures for zoos

1A. The following are conservation measures to be implemented in zoos in accordance with this Act-

- (a) participating in at least one of the following-
 - (i) research from which conservation benefits accrue to species of wild animals;
 - (ii) training in relevant conservation skills;
 - (iii) the exchange of information relating to the conservation of species of wild animals;
 - (iv) where appropriate, breeding of wild animals in captivity; and
 - (v) where appropriate, the repopulation of an area with, or the reintroduction into the wild of, wild animals;
- (b) promoting public education and awareness in relation to the conservation of biodiversity, in particular by providing information about the species of wild animals kept in the zoo and their natural habitats;
- (c) accommodating their animals under conditions which aim to satisfy the biological and conservation requirements of the species to which they belong, including-
 - (i) providing each animal with an environment well-adapted to meet the physical, psychological and social needs of the species to which it belongs; and
 - (ii) providing a high standard of animal husbandry with a developed programme of preventative and curative veterinary care and nutrition;
- (d) preventing the escape of animals and putting in place measures to be taken in the event of any escape or unauthorised release of animals;
- (e) preventing the intrusion of pests and vermin into the zoo premises; and
- (f) keeping up-to-date records of the zoo's collection, including records of-
 - (i) the numbers of different animals;
 - (ii) acquisitions, births, deaths, disposals and escapes of animals;
 - (iii) the causes of any such deaths; and
 - (iv) the health of the animals.

This Licence at all times remains the property of Rushcliffe Borough Council and may be subject from time to time to changes, amendments, variations, modifications or revisions as the Council may see fit and in accordance with appropriate legislation.

Additional Conditions

Additional conditions to ensure the proper conduct of the Zoo in all other respects, during the period of the licence.

Insurance

1. Within one month of the date of the licence and one month of the date of renewal of the policy, where applicable, a copy of the Zoo's current public liability insurance policy, and of subsequent renewals thereof, to be sent to the licensing authority.

Hazardous Animals

2. The licensing authority to be notified in writing, at least one month in advance, of the proposed addition of any animal listed in category 1 of the Hazardous Animal Categorisation (see Appendix 12 of the Secretary of State's Standards of Modern Zoo Practice), which is from a taxonomic family of which Category 1 species have not previously been kept in the Zoo.

Temporary Removal of Animals from the Zoo

3. The licensee/s to notify the licensing authority before the temporary removal from the Zoo (other than for veterinary attention or inter-zoo movements) of any animal listed in category 1 of the Hazardous Animal Categorisation of Secretary of State's Standards of Modern Zoo Practice. Such notification should be given as early as possible and, in any case, no later than 12 hours before the removal, unless the Zoo operator and licensing authority mutually agree a shorter period. The notification should include details of the destination, the method of transportation of the animal, the arrangements for its well-being and the arrangements for the safety of the public whilst it is away from the Zoo.

Escapes

4. In the event of any non-domestic animal escaping from the confines of the Zoo, notification shall be made to the licensing authority as soon as possible, and, in any case, not later than 24 hours following the escape.

Stock Records

5. An annual stocklist of all animals must be kept, and a copy must be forwarded to the local authority no later than 1 April of the year following that to which it relates. The stocklist should be in a multi-column format similar, for example, to Section 9.5 of the Secretary of State's Standards of Modern Zoo Practice, or to those that are produced by ZIMS or ARKS.
