

# APPENDIX G1 – PLATES

Plate 1 – View along Main Road from northern extent of Hawksworth, facing northeast (Proposed Development not visible)

Plate 2 – Views towards nearest point of Proposed Development from northern extent of Hawksworth, facing east-northeast

Plate 3 – Views into nearest point of Appeal Site (no development proposed at this section of the field) from northern extent of Hawksworth, facing east

Plate 4 – View into Hawksworth Conservation Area (NA45) from northern extent of Hawksworth, facing south-southwest (orientated away from Appeal Site)

Plate 5 – View into Hawksworth Conservation Area (NA45) from northern extent of Hawksworth, facing southwest (orientated away from Appeal Site)

Plate 6 – Glimpse of adjacent field (not Appeal Site) to northwest of Hawksworth from its northern extent, facing northwest (orientated away from Appeal Site)

Plate 7 – Vegetation-lined laneway within Hawksworth Conservation Area (NA45), facing east-southeast towards the Appeal Site (Proposed Development not visible)

Plate 8 – Open gardens/enclosures on west side of Main Road, allowing glimpses of fields behind, facing west (orientated away from Appeal Site)

Plate 9 – Hedgerow, mature trees and grass verges lining Main Road, facing southwest (orientated away from Appeal Site)

Plate 10 – Enclosure on west side of Main Road, allowing infrequent glimpses of fields behind, facing northwest (orientated away from Appeal Site)

Plate 11 – Views along New Road from inside Hawksworth Conservation Area (NA45) towards Appeal Site (Proposed Development not visible), facing east

Plate 12 – Views over paddock on south side of Town Street, allowing glimpses of fields behind (orientated away from Appeal Site), facing southwest

Plate 13 – Views over paddock on south side of Town Street, allowing glimpses of fields behind (orientated away from Appeal Site), facing west-southwest

Plate 14 – Views along Town Street towards Appeal Site (Proposed Development not visible), facing east-southeast

Plate 15 – Views towards northwest section of Appeal Site (Proposed Development not visible) from footpath (Hawksworth FP3) on OS 1883 map, located on southeast side of Hawksworth, facing northeast

Plate 16 – Views towards central section of Appeal Site (Proposed Development not visible) from footpath (Hawksworth FP3) on OS 1883 map, located on southeast side of Hawksworth, facing east

Plate 17 – Views towards southern section of Appeal Site (Proposed Development not visible) from footpath (Hawksworth FP3) on OS 1883 map, located on southeast side of Hawksworth, facing east-southeast

Plate 18 – Views towards northwest section of Appeal Site (Proposed Development not visible) from further south on footpath (Hawksworth FP3) on OS 1883 map, located on north side of local road to southeast of Hawksworth, facing north-northeast

Plate 19 – Views towards central section of Appeal Site (Proposed Development not visible) from further south on footpath (Hawksworth FP3) on OS 1883 map, located on north side of Thoroton Road to southeast of Hawksworth, facing northeast

Plate 20 – Views towards southern section of Appeal Site (Proposed Development not visible) from further south on footpath (Hawksworth FP3) on OS 1883 map, located on north side of local road to southeast of Hawksworth, facing east

Plate 21 – Views towards northern edge of Hawksworth Conservation Area (NA45) from location of former footpath on 1820 Stevens map through Appeal Site, facing west-southwest

Plate 22 – Views towards Hawksworth Manor (NA11) from location of former footpath on 1820 Stevens map through Appeal Site, facing southwest

Plate 23 – Views towards Hawksworth Manor (NA11) and Hawksworth Conservation Area (NA45) from northwest field of Appeal Site (Field 1), facing south-southwest

Plate 24 – Views towards Hawksworth Manor (NA11) and Hawksworth Conservation Area (NA45) from northwest field of Appeal Site (Field 1), facing southwest

Plate 25 – View from highest point of bridgeway (Thoroton BW6) through Appeal Site, with tower of Church of St Helena (NA18) faintly visible, facing south

Plate 26 – View towards southern section of Appeal Site (Proposed Development not visible) from northern point of Thoroton Conservation Area (NA46), facing northwest

Plate 27 – View towards southern section of Appeal Site (Proposed Development not visible) from northern point of Thoroton Conservation Area (NA46), facing north-northwest

Plate 28 – View towards southern section of Appeal Site (Proposed Development not visible) from northern point of Thoroton Conservation Area (NA46), facing north

Plate 29 – View towards Appeal Site (Proposed Development not visible) from along Thoroton Road within Thoroton Conservation Area (NA46), facing north

Plate 30 – Small, traditional enclosure on Thoroton Road, housing Thoroton Pigeoncote (NA21) and allowing glimpses of fields behind, facing southeast (orientated away from Appeal Site)

Plate 31 – Small, traditional enclosure on Thoroton Road, housing Thoroton Pigeoncote (NA21) and allowing glimpses of fields behind, facing east-southeast (orientated away from Appeal Site)

Plate 32 – Views towards Appeal Site (southern field of the Proposed Development is partially visible) from footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing north-northwest

Plate 33 – Views towards Appeal Site (southern field of the Proposed Development is partially visible) from footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing north

Plate 34 – Views towards Appeal Site (southern field of the Proposed Development is partially visible) from footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing north-northeast

Plate 35 – View into Thoroton Conservation Area from footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing east-southeast (orientated away from Appeal Site)

Plate 36 – Views towards Appeal Site (southern field of the Proposed Development is partially visible) from further west on footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing north

Plate 37 – Views towards Thoroton Conservation Area (tower of Church of St Helena faintly visible amongst trees) from further west on footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing east-southeast (orientated away from Appeal Site)

Plate 38 – Views towards Thoroton Conservation Area (tower of Church of St Helena visible above treeline) from further west on footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing east-southeast (orientated away from Appeal Site)

Plate 39 – Views towards Appeal Site (southern field of the Proposed Development is partially visible) from further west on footpath (Thoroton FP2) on OS 1883 map, located on west side of Thoroton, facing north-northeast
